Tim,

Here are some slides for me. A few things I think I should cover.

Ex. 5 Deliberative Process (DP)

Thanks,
Mark

Subject: Trenton Briefing Reminder

Andy and I were chatting about the presentation for NJ DEP senior folks. We want to make sure we present highlights of the important stuff. We are thinking it will go something like this:

1. Welcomes & Introductions (15 min)
2. Study background and overview (~12 slides; 20 min; Lindstrom)
3. Signature data presentation and analysis (~15 slides; 30 min presentation; 20 min Q&A discussion; Washington)
4. Break (10 min)
5. New data / effect of water treatment on CIPFPECA (4-5 slides; McCord 10 min presentation; 10 min Q&A)
6. Discussion of priorities for ORD assistance going forward Ex. 5 Deliberative Process (DP) (all; balance of time)

Does this sound reasonable? Is there any other work that needs to be included for the senior folks? Can you all send your slides to Andy to combine into one presentation by COB tomorrow? I am working Friday and will plan to submit for clearance (Watkins, Cascio, Gillespie) on Friday.

Thanks.

Tim
